

Ensemble Team Program

Our Purpose

At Bravo Dance Center, we believe that movement has the ability to inspire all. We believe in facilitating a healthy environment where people can create, discover, and grow as individuals within a team. We believe that great dancers have passion for art, commitment to meeting their potential and gain inspiration from a positive community. As such, BDC is committed to bringing together bright individuals who are passionate about inspiring others through movement.

Ensemble Recreational Performance Team

Ensemble is designed for dancers who love to dance and want more opportunity to perform in our community. Dancers will perform at the Company's Holiday Express show at the Strand Theater in Marietta, a spring theater performance and a recreational dance competition in Chattanooga, TN. The Program commitment is from September – June 1, 2024, and will conclude with our annual End of the Year Performance May 28-June 1, 2024. Dancers will learn 3 dances in ensemble throughout the season. There will be a parent meeting on September 6th at 5:30pm to discuss everything planned.

Benefits

Bravo Dance Center has top notch training. The BDC faculty presents the latest in style and technique all in a fun & family-like atmosphere. We choose music and choreography that is family friendly in content and present our dancers in tasteful costuming. Through weekly class training our dancers learn at their own pace and build self-confidence. Dance training is also a great form of exercise, but did you know there are many other benefits?

- Studies show that while exercise is good for your overall health, only one exercise had the biggest impact when it came to improving overall cognitive skills. That exercise – you guessed it – is frequent dancing!
- Dancing and performing not only gives the student a greater appreciation of dance throughout life, but also has a positive long-term effect on their socialization, balance, coordination, and memory!

- All Ensemble groups have a 3-minimum class requirement per week where attendance is very important. (Ensemble class on Tuesdays at 5:30pm, 1 ballet class and one additional class of their choice.)
