

Bravo Dance Center Ga.

2022-2023

Our season runs from August through the end of May. The tuition rate is based on enrollment in a class for the entire season. Each class meets once per week; however, our tuition is not determined by a certain number of classes during a month. The number of classes per month may fluctuate based on calendar breaks and will not be pro-rated on months where a week is missed due to school closing. In the event of illness/injury make-ups can be made in another class in the same skill set.
